### Mobile Vehicle Technology becomes MVT Solutions

Dear partners,

As a part of our branding strategy, Mobile Vehicle Technology will become MVT Solutions. All our official web pages will use MVT Solutions name as well as our promotion materials, e-mails and other resources connected with our brand.

As this will be a step by step process, all our customers, partners and followers will be informed about this change directly.

Zagreb September 2, 2019

MVT Solutions Management Board
